

UNITED STATES COURT OF APPEALS  
FOR THE SEVENTH CIRCUIT

David Martin

v.

Attorney General Kwame Raoul, Judge Gregory Emmett Ahern Jr., Unnamed Cook County  
Clerks, Cook County, Chief Deputy Clerk Gretchen Peterson, Unknown employee of the Illinois,  
Department of Employment Security

Appeal No: 24-1915

**EMERGENCY MOTION TO  
RECEIVE DOCUMENTS ELECTRONICALLY  
AND TO BECOME AN EFILER**

I David Martin, the Plaintiff moves this honorable court to ask that the defendants/Appellees in this case be ordered to serve all documents to me electronically via my email address [MartinvThompson@gmail.com](mailto:MartinvThompson@gmail.com). I would also like to ask that I be granted the ability to efile, or have the clerks efile my documents on my behalf.

I am asking because it takes a considerable amount of time, cost, and effort to deliver paper documents to the U.S. Court of Appeals. To deliver a paper document, I must first drive to the fedex store to print a paper copy. If I am lucky, there wont be any customers ahead of me. If I am unlucky, then there could be customers ahead of me and that would cost me more time. Once I actually have the document, I now have to drive downtown, find parking, then walk the document over to the Appeals office. The process could cost me most of my morning, if not all of it. In addition, I would also be

forced to pay unnecessary printing and parking cost. Ultimately, this will negatively impact my ability to respond to the Defendants/Appellees motions and briefs.

**Wherefore, I Pray:**

- 1. Any remedy this court can provide.**
- 2. That the defendants/Appellees be ordered to serve all documents to me electronically.**
- 3. That the clerk of the US Appeals Court be ordered to efile my documents/briefs electronically.**
- 4. That I be granted the ability to efile.**
