MOTION FOR EXTENTION OF TIME
&
MOTION TO CONTINUE

I, David Martin, pursuant to Federal Rule of Civil Procedure 6(b). Ask this court to extend the time allowed for responding to the defendant's motion to dismiss. Allowing me to file a response by June 29th 2023.

On or around May 2, 2023, I was informed that my nephew Patrick was murdered in Iowa. I am praying that this court grants an extension of time so that I may have time to mourn my nephew's death, and to travel to Iowa so that I may help my sister through this difficult time.

In addition, a status hearing was scheduled for May 16th 2023. I am asking this court to continue the status hearing to June 13th 2023, or sometime after.

United States District Court
Northern District of Illinois

Wherefore, I pray:

1. That I be given up to June 29th 2023, to respond to the defendants motion to dismiss.
2. That the May 16th 2023 status hearing be continued to June 13th 2023.
